Degustazioni da Re

TOUR OF THE ROYAL RESIDENCES AND TASTING ITINERARY

Art, history, flavours, fragrances and colours will be the leading themes of this inventive itinerary, in order to discover an outstanding artistic heritage, as well as the characteristic products of Piedmontese tradition with an exquisite selection of foods and wines.

THE ROYAL HOUSE OF SAVOY

The origin of the Royal Residences of Savoy dates back to the second half of 1500s, when Emmanuel Philibert, Duke of Savoy moved his capital city to Turin, commissioning the rehash of ancient castles and the building of new residences along the great green area surrounding the city. The system of the Royal Residences reached its period of grandeur between the XVII and the XVIII century, thanks to the establishment of what Amedeo di Castellamonte called Corona di delizie (Crown of Delights), a particular system composed by palaces, vineyards, houses and castles, royal residences representing the style and the power of the Savoy. Among these, there are: Palazzo Reale, Villa della Regina, Castle of Racconigi, Castle of Rivoli, Castle of Agliè, Reggia di Venaria Reale and the Palazzina di Caccia of Stupinigi.

ROYAL TASTINGS

“Royal tastings” offers a tour of some of the residences composing the Crown of Delights, from a new and “tasty” point of view, involving history and art, as well as flavours and fragrances; the guides of CulturalWay will lead the visitors in a tour giving them the opportunity to live the atmosphere of the royal past, tasting ancient flavours.
